1 Dead, 1 Injured In 2-Car Collision

A Fernway resident is dead and a man from Arbury Hills, Mokena, was injured as a result of a two car collision on Wednesday night (Sept. 16) at the intersection of 107th st. and U. S. 45, Palos township. It was foggy at the time.

Fatally injured was Walter B. Walker, 43, of 8721 170th place, Tinley Park. He was pronounced dead on arrival at Christ Community hospital.

The injured man is Troy G. Lewellen, 28, of 19631 S. Walnut st., Arbury Hills. State police of Dist. 4,

who covered the accident, reported that Lewellen was traveling south on U. S. 45 and Walker was going north. At 107th street Walker made a left turn in front of Lewellen, the report states, and his car was struck in the side.

According to a witness the two cars left the ground and Walker's car appeared to explode.

A Hinsdale man, David Maren, 22, ran to where the two cars were lying off the road. Walker was apparently dead so Maren turned to

the Lewellen car, which was beginning to burn. Lewellen was unconscious and Maren, braving a possible explosion, pulled him out of the car before the fire could reach him.

Both victims were taken to Christ Community hospital. Walker was officially pronounced dead there and Lewellen taken to surgery where doctors worked over him for four hours. It was necessary to take 200 stitches in his face and head and the next day he was given x-ray examination of his legs and chest. The examination revealed a fracture of the left leg and of the breast bone.

Lewellen is employed by the Frederick Levy Ink Co., at Chicago, and was on his way home when the crash occurred at 10:10 p.m. He has four sons and a daughter. Mrs. Lewellen was released from the hospital on Tuesday of last week after having given birth to a boy.

Walker was employed at the Fisher Body plant in Willow Springs and was on his way to work.

Funeral services for the accident victim were conducted Saturday morning at 10 o'clock from the Schmaedeke funeral home, 107th and Harlem in Worth. The body was then taken to Nashville, Tenn. for burial services Monday in the National cemetery there.

Mr. Walker is survived by his wife, Thelma Roselle, a daughter, Patricia, his father, James W. Walker, four brothers and two sisters, William A., Douglas A., Edwin W., Harley E., Mrs. Louise Dameron and Mrs. Dorothy Mae Jones.

will be held at the non-high school rally at Oakview school. Prizes will be given to the first place boy and girl winners. All hats entered in the contest should carry out a 4-H theme.

All youngsters attending the 4-H rally at Oakview school should wear gym shoes. . . girls should wear sportswear or slacks.

The Will County 4-H Federation will sponsor the 4-H rally as one of the special 4-H Week activities for Will County 4-H members. Besides the co-chairmen the 4-H rally committee members are: Mary Ann Bourrie of Plainfield, Francis Cann of Peotone, Robyn Facinelli of New Lenox, Linda Goodwin of Wilmington, Carol Jones of Lincoln Estates and Steve Stauffenberg of Manhattan.

4-H Rallies Set For Monday In New Lenox

The Will County 4-H Rally will be held next Monday, Sept. 28, Francis 4-H Field, on Francis road, New Lenox and Oakview school gym, north Cedar rd, New Lenox, will be the sites of this year's rallies.

Rally co-chairmen, Bonnie Sorensen of Wilmington and Gary Moeller of Plainfield, announced the county 4-H plans at a recent meeting.

High school age 4-H members will have their rally at Francis 4-H Field near New Lenox. The rally will begin at 7:30 p.m.

All 4-H'ers not in high school will have their evening of games and fun at the Oakview School gym, New Lenox. Registration will begin at 7:00 p.m. and the games will get underway at 7:30 p.m.

Margie Olson Places In Semi-Finals Of NMSC

Supt. A. Hunter Chapman of Lincoln-Way high school announced today (Sept. 24) that one of the school's students has been named semi-finalist in the 1964-65 Merit Scholarship competition. This test of educational development was given in more than 17,000 high schools last March.

The student cited for her high achievement is Margie Olson, a Lincoln-Way senior from Mokena, who spent the past summer in Japan as a participant in the Lions' club

placements, leadership qualities, extracurricular activities, and school citizenship of the students will be evaluated along with their scores on the tests.

About April 28, 1965, the names of the Merit Scholars will be announced, the exact number depending on

the extent of sponsor support of the Merit Program. In 1964 NMSC and sponsors together awarded about 1,625 Merit Scholarships.

Each Merit Scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

foreign student exchange program.

She is among 14,000 seniors thruout the country who attained semifinalist status. The semifinalist group is composed of the highest scoring students in each state and in United States territories. Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfill certain routine requirements to become finalists. All Merit Scholars are selected from the finalist group.

"Semifinalists are representative of our country's most intellectually able young people," said John M. Stalnaker, president of the National Merit Scholarship Corporation.

"They possess the talents and qualities necessary for leadership in the future. They are resourceful, hard-working, and ambitious.

"In honoring them for their attainments, we should recognize also that others have contributed significantly to their success by encouraging the characteristics which produce high achievement. The semifinalists thus bring honor not only to themselves, but also to their families, their teachers, and their communities."

In past years, about 98 per cent of the semifinalists have become finalists.

In this last phase of the competition, the high school grades, creative accom-

URGE ACTION on construction of Interstate Highway 80. At left is John Langland, president of the Mokena Chamber of Commerce, and on the right in Supervisor George Tate, of Frankfort.

Insist FAI 80 Get Share Of Highway Funds

The Mokena and New Lenox chambers of commerce have adopted resolutions urging a speed-up in construction of Interstate Highway 80 and castigating those officials who have been diverting funds intended for FAI-80 to highway improvements in the city of Chicago.

Those bodies are also getting signatures to the resolutions from other organizations and the Will county board of supervisors has been asked to join in the campaign to get action on FAI-80.

Those who have followed the progress -- or lack of progress some describe it -- of FAI-80 in Will county do not believe all they are told about how work is being scheduled, it was declared at the Mokena meeting, because they have been hearing it so long. Delay, they claim, is not accidental.

"We realize," a Mokena C. of C. spokesman said, "that we sit astride the most important expressway potentially in the United States. This expressway is inoperative because the 25 mile stretch from Hazel Crest to the east limits of Joliet is incomplete.

"Congress has passed legislation to provide for interstate highway construction at a cost in excess of 41-billion dollars with special emphasis on I-80 as a heavy duty transcontinental highway vital to national defense. Yet Illinois is actually losing ground in industrial plant expansion

because of the lack of transportation facilities to connect with the great industrial complex in the Hammond-Gary area which would be provided by I-80.

"It is our understanding that some 65% of the highway funds already allocated have been diverted for use in Chicago, taking them away from other highway projects in south Cook county and Will county, including I-80. We understand that this money has been diverted to the crash program designed to complete the Southwest highway before the national elections in November"

man. Refreshments were served by Mrs. Lloyd Heisner, Mrs. William White, Mrs. Dorothy Woodman and Mrs. James Walker.

Mr. and Mrs. Jacob Hostert spent last week with Mr. and Mrs. Herbert Bixler at Three Rivers, Mich.

Mrs. Roderick Rainford spent last week recuperating at the home of her sister, Mrs. Katharine Heisner, after being a surgical patient at Silver Cross hospital for two weeks.

The afternoon group of the WSCS of the local Methodist church will meet at the home of Mrs. Marie Bettenhausen, Thursday, Oct. 1 at 1:15 p.m. Dessert-coffee will be served by Mrs. Bettenhausen, hostess.

Mrs. Jacob Hostert, chairman, will conduct the business meeting and the devotions are in charge of Mrs. Charles Mark.

Mrs. John Ball entertained

13 girls at her home last Saturday afternoon in honor of her daughter Cindy Lou who celebrated her seventh birthday. Various games were played during the afternoon and each girl received an individual favor. Birthday cake and ice cream was enjoyed by all.

Mr. and Mrs. John Yeates and family of 94th ave. have moved to Louisville, Ky.

Mrs. William Koerner returned home Monday after being a medical patient at Silver Cross hospital for about 10 days.

Mr. and Mrs. George Sangmeister Sr. attended the dinner last Sunday afternoon at McCormick Place in Chicago, given in honor of Gov. Otto Koerner.

Mrs. Clara Ullrich entertained as dinner guests on Sunday, the Rev. and Mrs. James Swain of Chicago.

Labor Day, 12 Frankfort Boy Scouts paddled their ca-

noes 50 miles down the Fox River.

Under the direction of Scoutmaster Weldon Nushaum and with the help of Lynn Kohlhausen, scouts of troop 270 completed the extended trip, which included camping out for two nights without mishap and on schedule.

The boys making the trip were: Kevin Davis, Tom Ewing, Frank Folsi, Kenny Grey, Steven Gunhouse, Tom Kohlhausen, Dale Morrison, Steven Nushaum, Roger Otto, Kim Richards, Steven Thompson and Benny Weber.

Mr. and Mrs. Landon Richards were also along for the camp out but did not participate in the canoeing.

Other water enthusiasts added to the excitement of the trip. Fast motor boats and water skiing dare-devils kept the scouts on their toes to maintain an even keel and dry canoes. The river traffic was heavy and kept the water turbulent.

The trip ended at Algonquin, Ill. where the scouts and the boats were picked up.

The monthly meeting of the Bobzin-Swinford 1098 Auxiliary was held Thursday, Sept. 10 at the Frankfort grade school. Mrs. Kenneth Oetter, newly elected president, conducted the meeting.

Mrs. Oetter announced that the installation of officers would be held jointly with the Legion and the Junior Chairman (girls from 7 to 18). This will be the first time the Juniors will be installed with the adults.

The installing officer for the Auxiliary and Junior members will be Mrs. Edward Oetter of Joliet, who is a past 11th district director, and a member of Harwood #5 auxiliary. The installing chaplain is Mrs. Joseph Berchem of Steger, who is a past Will county president and a member of Steger #521 auxiliary. The installing sgt.-at-arms is Mrs. Daniel Hecht who is a past Will county president and a member of the Frankfort auxiliary.

Miss Cindy Lou Carroll will be installed as Junior Chairman and Mrs. Kenneth Oetter as president.

The installing officer for the Legion will be the newly elected 11th district jr. vice commander, Kenneth Oetter of the Frankfort post. Burlyn Eisenbrandt will be installed as commander of the post.

The 11th district director Mrs. Barbara Bieritz of Geneva is holding her fall convention Oct. 3 at 9 a.m. at Geneva.

Mrs. Glen Burkett, Mrs. Charles McManimen and Mrs. Daniel Hecht are the advisers for the Juniors.

The Junior members were organized a year ago with Mrs. Melvin Eastman and Mrs. Glen Burkett as advisers. They meet on the third Thursday of the month. The girls make tray favors with candy or gum placed on them to be sent to a hospital.

The next meeting will be held at the home of Mrs. Dan Hecht on Oct. 8.

Mr. and Mrs. Herbert Warren of Peotone were luncheon guests of Mr. and Mrs. Charles Bell last Thursday.

District Band Contests To Be Held At L-W

Lincoln-Way high school will be hosts to Class A and AA schools in the district band contest next April and the Band Boosters have already started planning for the event.

Soloists and ensembles will compete at Lincoln-Way as well as bands and choruses.

Arranging for visitors to be fed and provided with the necessary creature comfort is no small chore, it was pointed out, but the mechanics of getting the data together so that contestants may speedily learn the outcome of their trials is another big and important job, it was explained.

NOW... "SET YOUR OWN PRICE" on this Brady Model 144 4-Row Chopper

• Pull your tandem disc behind the Brady 4-Row Chopper and do the entire job at one time.

• One man can chop and disc up to 100 acres per day.

• You do a better job of plowing. Stalks will be finely pulverized and not windrowed or bunched.

• You can pull the 4-Row Chopper and disc with your 4-5 plow tractor.

• Excellent for clipping idle acres and pastures.

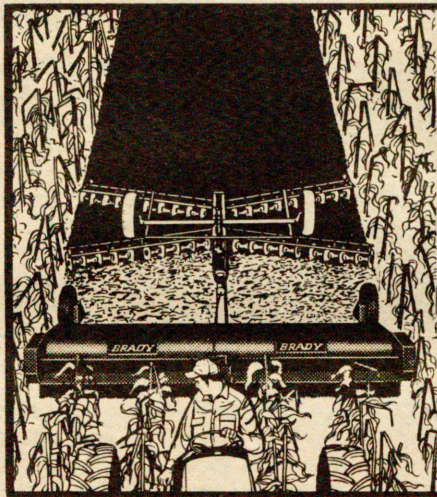

• One pass thru the field and you're ready to plow.

• Why tie up 2 men and 2 tractors and take twice as long when one man and one tractor will do the entire job.

The new Brady 4-Row Chopper on my floor can be purchased by some farmer in this area at his own price. There are no gimmicks. Hurry and come in to get the details!

Lockport High Seeks To Save On Shelving

(CNS) Three Chicago-area schools and 16 libraries are among twelve schools and 37 libraries in the state on whose behalf Attorney-General William G. Clark filed a "class suit" in U. S. District court Monday asking treble damages of \$1,800,000 for overcharges on metal shelving from 1954 to 1960.

The schools are Lockport

Township high school; District 83 at 8320 Ballard road, Niles; and Oak Park-River Forest High school. The public libraries are:

Bellwood, Calumet City, DesPlaines, Evanston, Flossmoor, Forest Park, Hillside, Hometown, Homewood, Lombard, Nichols Library in Naperville; Plainfield, Skokie, Winnetka, and Wheaton.

Defendants are seven manufacturers who sold 95 per cent of the \$10 million yearly in metal shelves in the country, and who pleaded no contest and were fined in a federal anti-trust indictment in Chicago last Jan. 17. They are: Sperry Rand Corp., Art Metal, Inc., Globe-Werneck Industries, Inc.; W. R. Ames Co., Estey Corp., Hamilton Manufacturing Co., and Virginia Metal Products, Inc.

Clark says others of the 1,500 school districts and 450 libraries in the state may join the suit if they made any purchases from these firms in the period covered.

SW·Y· Offers Dance Classes For Children

Registrations are now being accepted for the children's dance classes offered by the Southwest Suburban YMCA, 94th and Knox, Oak Lawn.

Three classes will be conducted at Sward School, 99th and Brandt, Oak Lawn. Tiny Tot Rhythms, a preparation to ballet for preschoolers at 3:30 p.m., Ballet I and II for school age children at 4:15 and 5 p.m.

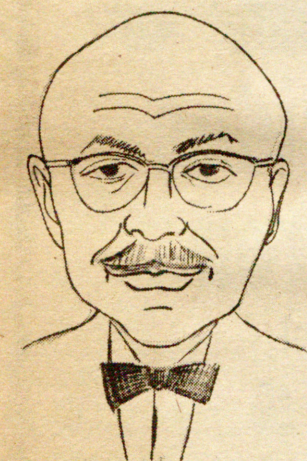

Tap class I at 6:30 p.m. and Tap class II at 7:15 p.m. for school age children will be conducted in the Florida room of the YMCA building.

This will be a continuous program, each course will be of eight weeks duration. Classes are under the direction of Miss Sandi Berg, professional dancer and teacher. Miss Berg has a graduate and master's degree with the Chicago National Association of Dance Masters. For registration and further information one may call the Southwest Suburban YMCA office at Garden 4-8100.

The Old Timer

"The general complaint about cars is that the motors won't start and the payments won't stop."

ON 2nd THOT

By Glenn Logan

JEFFERSON P. THROTTLEBOTTOM, champion freeloader and bourbon authority, came into the office slowly. He let himself down in his favorite chair with a thump and rattled of bones that sounded for all the world like an old chase-weary hound collapsin on a board floor.

"I'm that tired," he said, "that I wouldn't walk across the street if someone gave me a quart of bourbon."

This was gross exaggeration. He could never be that tired, but he insisted he was. And when he made no move toward the cigars and I had to hand him one, I had to concede that he was really fatigued.

What had brought about this condition?

"Well," Jeff responded, "I took up painting today and may have overdone it."

"Painting?" I repeated, startled. "You mean that you have gone in for oils like Sir Winston Churchill or former President Eisenhower -- or have you gone in for water colors?"

"You can very well say oils and water colors," Mr. T answered, "but otherwise there is little resemblance between my work and that of Winnie or Ike."

"IT ALL CAME ABOUT," Jeff went on, "when I dropped in to see Muldoon -- you know Muldoon Muldoon, the photographer, the one they call Double -- at his studio. We had a couple of pick-

me-ups and naturally some conversation. Double was telling me that he was going to decorate his studio. He was going to do something special with the walls."

"Paint murals on the walls?" I wanted to know. "No," replied Jeff, "just paint the walls."

"What was all this stuff about you working with oils and water colors?" I demanded.

"It was you that brought that up," retorted Jeff, "and I remarked at the time that I was NOT following the cultural footsteps of Winnie and Ike. However, one painting interior walls could truthfully talk about oil and water because that is the way paint comes today."

"I don't know why it is," Mr. T. went on, "but just as every American believes his birthright makes him an expert rifle shot, an expert poker player, and a wizard on things mechanical, he also is convinced that he is endowed with the skill and know how of an experienced house-painter. That all he needs to accomplish a bang-up decorating job is a brush, a can of paint and a few minutes of leisure to employ them."

"WE ARE ALL suckers for the do-it-yourself lures that are all about us. Some of us have enough sense, or maybe I should put it as sales resistance, to realize we have our limits. We may even concede that we cannot build an automobile, a jet

plane or an ocean liner in out back yards, but no one will ever admit that he can't do a paint job as good as the best in the trade. The fact that a paint job done by an amateur inevitably looks it is not a deterrent.

"The paint manufacturers are well aware of this feeling and cash in on it at the rate of millions of gallons of paint per year. They sell the paint for the do-it-yourselfers to apply. One might say that is just the first coat. They also sell the paint that the regular painters apply to cover up the amateur effort."

"You can readily see that this is very good for the paint making business and now that paint makers have added a cultural gimmick that should be good for millions more gallons. It seems that now you don't buy the paint right away."

"Choosing the paint, we are told, is no problem. All reputable dealers, it seems have a thousand or more hues, shades tints and tones for you to argue over. The first thing, they tell us, is to pick the color of the drapes, --wood and upholstery-- and carpeting."

"BUT YOU AREN'T ready to pick the paint yet. First you have to study the type and intensity of available light. This is very important, it seems, because the intensity of the light will affect the color so it looks different. You can have paint and upholstery or drapes match perfectly in color, I am told, but they will look quite different so when you go back to argue with the paint man, he prepared to discuss the light question. Double Muldoon, for example, takes a light reading from that gadget he uses as a photographer, to determine what exposure to give the paint on the walls. Muldoon also has a problem in that the color of the paint may lighten or darken to his according to the number of drinks he has."

"Muldoon asked me to help

2 Area School Districts Get Refund On Bleachers

Two area school districts are among the 74 in the state who benefit from the suit brought to successful conclusion by Illinois Attorney General William G. Clark against six manufacturers of folding gymnasium bleachers.

Clark charged them with price fixing. He said that the representatives of the six companies met periodically from 1954 thru 1958 in a Chicago hotel. It was at these meetings, Clark contended, that the defendant companies estimated the

business to be done in that year and how much of it each firm was to have, and how to control the bidding.

Clark said the total settlement coming from all defendants is \$575,000. He already has distributed \$300,000 in a previous partial settlement of the suit by two of the six companies.

District 230, that operates Carl Sandburg and Alonzo Stagg high schools will get \$607.50 and \$2,404.17 comes to Peotone community unit district, No. 207-U.

Use L-W Students In New Way To Teach Shorthand

Paul Thomas, chairman of the business department at Lincoln-Way community high school is involved in a pilot project dealing with new and better ways to teach him and in a weak moment I consented. As a result, I have spent the whole blessed day in that studio and I am tired."

We conceded that swinging a brush all day could be fatiguing. Jeff was startled.

"You are bound to misinterpret me today," he said, hoisting himself out of the chair preparatory to departure. "I do not mean that I helped Muldoon with the actual job of applying paint, altho I am sure that I could do it quite well. No what I did was to serve Double as a critic and keep his glass filled. It fatigues me to watch anyone work. Well, watching Double work all day and listening to him -- you know what a talker he is -- has tired me out. I am completely bushed and don't want to look at another paintbrush for at least a year. So long."

shorthand.

Lincoln-Way high school business department is participating in an experiment in its Shorthand I classes. This study is being made by Mrs. James Manwaring, Lockport high school. The purpose of the study is to determine the effect of allowing more assimilating time in presenting theory lessons.

One class at Lincoln-Way is a controlled group, which spends one day on each theory lesson; and one is an experimental group, which spends two days on each theory lesson.

Twenty schools thruout the United States are participating in this experiment. By experimenting Mr. Thomas feels that new and better methods of instruction can be developed. These new developments not only aid teacher efficiency but also provide better opportunity for students to learn. The outcome of these experiments will add new information to the teaching of shorthand.

Her maternal grandparents are Mr. and Mrs. Edgar Daugherty of New Lenox. (Behnke photo)

Mokena Girl Seeks Career In Nursing

Miss Sandra McGann, daughter of Mrs. Louise McGann, Kohlwood Estates, has recently entered the school of nursing at Michael Reese hospital, Chicago.

Before entering the school, Miss McGann was employed as a dental nurse for Dr. Anthony Williams of La Grange during the past year and a half. She graduated from the Chicago School of Dental Nursing in 1963. She is a 1962 graduate of Lincoln-Way high school.

Mrs. McGann and Sandra have also just returned from a two-months tour of the Orient. While in Kyoto, Japan they met and spent two days with Minoru Ueda, the foreign exchange student that will be living with Mr. and Mrs. Wendell Hamilton and son Tom. Mrs. Hamilton is the sister of Mrs. McGann.

Explains New Methods Used To Teach Math

James Callahan, principal of Orland Center elementary school, was again invited to speak on new methods of teaching mathematics. Mr. Callahan spoke on Sept. 16 to the parents of children who attend Quinn school in Palos township. Previously he has directed information to parents of children attending Dorn school and Orland Park school district. Mr. Callahan has taught teacher's classes on new mathematics methods in the local area.

The new method of teaching mathematics was used in the Orland schools in grades kindergarten thru third with great success last year. This school year the program has been extended thru the 6th grade.

Orland Man Is Married At Chicago

Robert Dale Campbell, son of Mr. and Mrs. Robert Campbell of 15016 Holiday court, Orland Park, and Miss Joan Tilton, daughter of Mr. and Mrs. Edgar Tilton of 10840 S. Peoria st., Chicago, were united in marriage, Saturday, Sept. 19 at 7 o'clock in Washington Heights Methodist church, 104th pl. and Racine ave., with the Rev. Warren E. DeSpain officiating.

Karen Haworth was guest soloist. The bride was attended by her sister, Janet, as maid of honor. Betty Beihl and Margaret Campbell were bridesmaids.

David E. Campbell of Tinley Park, served his brother as best man. Glenn Muters of Markham and Douglas Silkworth of Milwaukee, Wis. were ushers.

Douglas served with the bridegroom on the Valley Forge, USS in the U.S. Navy.

A reception was held in the church parlors following the ceremony.

LWV To Hold Its Annual Fund Drive

The Palos-Orland League of Women Voters will kick-off its annual finance drive at a coffee on Monday, Sept. 28, 9:30 a.m. at the Deacon's Bench in the Village Courtyard. Mrs. Ferdinand Kramer of the state committee, will discuss why the League needs money, and how its funds are spent to better inform all citizens in the field of government.

The League of Women Voters keeps its members dues low so that no one will be barred for financial reasons. Public-spirited citizens are, therefore, asked to contribute, to help defray the cost of printing and materials.

A second guest at the coffee will be "Polly Puppet", who appears in a miniature voting booth, and represents the kind of voter whose strings are pulled by others. The League stresses the importance of voters becoming informed so they can make their own decisions.

Mrs. Arthur Lorenz and Mrs. Paul Bere are in charge of arrangements for the affair.

LORNA JEAN MILLER

MR. AND MRS. Harry E. Miller, 110 Center road, Frankfort, announce the engagement and approaching marriage of their daughter, Lorna Jean, to A3-c Norbert Balat, son of Mr. and Mrs. Michael Balat of Kennan, Wis.

The wedding will take place Oct. 24 at 10 o'clock at St. Michael's Catholic church, Kennan.

An open house will be held for the newlyweds on Nov. 1 from 2 to 5 o'clock in the social hall of the Frankfort Methodist church, Frankfort. All relatives and friends are invited to attend.

Miss Miller is a graduate of Lincoln-Way high school and Silver Cross school of nursing, class of 1964.

A3-c Balat was graduated from Phillips high school, Phillips, Wis. and attended Taylor County Teachers' college, Medford, Wis. He is presently stationed at the Dover AFB, Dover, Del.

Steering Committee To Aid School Bond Project

Gordon Bendix, general chairman of the Citizens' school committee, has selected a steering committee of six people to head groups supporting the school bond issue and referendum to be held in October.

In a brief report to the Orland PTA this past week, Mr. Bendix stated that they have a job to be done that is not all pleasant, because no one likes the idea of paying more money in taxes, but that a choice must be made by each individual. After careful examination of the issues involved, it was apparent to him that the judgment of the board of education gave ample evidence of the need for supporting the issues.

He said the response from persons he had contacted to work on the steering committee was both enthusiastic and encouraging. Mr. Bendix felt this to be indicative of the spirit of the community. He further pointed out that many people will be needed to do the job, and he was confident that those called upon to lend their help would respond with the same enthusiasm shown by the steering committee.

At a later meeting with the steering committee, Bendix stated that altho he had been asked by the board of education to serve and form this committee, the function of the group would be independent of the school board and administration. The goal of the committee is to personally present all the facts to all the people of the community and urge them to express their feeling at the polls. The specific duty of the members will be to direct the work within their own localities. The steering committee is representative

of six geographic areas:

1. - West of the village, headed by Mrs. Lillian Bischoff.
2. - The area immediately surrounding the Orland Park school, headed by Ralph Town.
3. - The area east of the village, headed by Harold Jaeger.
4. - The area in and around Orland Park Hills, headed by Roger Sedgewick.
5. - The area surrounding the Orland Center building, headed by Robert Smith.
6. - The far south area of the district surrounding the Maue building, headed by Ray Klieriem.

CSHS Grad Receives IIT Scholarship

Michael Quinn, a 1963 graduate of Carl Sandburg high school, has been awarded a \$900 scholarship to the Illinois Institute of Technology. The grant was made on the recommendation of the scholarship committee of the Chicago Community Trust.

The scholarship may be used to cover tuition and fees at IIT with any balance to be used for personal expenses. Payment is spread equally over the term of the academic year.

Quinn is the son of Mrs. Barbara T. Quinn of 20 W. Surrey Hill road, Palos Heights. He was one of the two National Merit scholarship winners at Sandburg last year, as well as a member of Mu Alpha Theta.

He attended Cary-Grove community high school through his junior year, coming to Sandburg as a senior.

Legion Would Build Third Ball Diamond In The Park

Kenneth Oetter, representing Bobzin - Swinford post, American Legion, of Frankfort, presented a proposal to the village board last Monday night under which the post would build a third baseball diamond in the community park if guaranteed priority on its use. The proposed new field would be lighted. The Legion would maintain it, Oetter said.

Oetter said an additional diamond was necessary to meet the demands of program planned for youngsters and adults. He said that to build the field would cost between six and seven thousand dollars and before it would expend such a sum

the Legion wanted assurance it would have first call on use of the diamond and a fair chance to get its money back.

Village Attorney Albert H. Krusemark said the village could not enter into a lease on the property but saw no legal obstacles in the way of granting priority to the Legion on use of the proposed diamond.

Board members remarked there were many problems to consider in connection with the Legion's request and Mayor George Sangmeister suggested that the Legion submit its proposal in writing at the next meeting of the board.

Oetter said such a proposal would be presented to the village. He asked, however, that a speedy answer be given.

"If it is to be 'no' let it be a definite 'no,'" he said, "but we hope for a positive 'yes.'"

The proposed third diamond would be located next to the present diamond.

Several lights must be replaced on the present diamond, Oetter said, and some of the light poles.

GARBAGE DUMPERS mar landscape. Those guilty of this offense used a truck to haul the stuff because passenger cars aren't made to carry 50-gallon drums. Dumping garbage along roads is illegal and is punishable by fine. This collection was left on the west side of 108th ave., a short distance north of 191st street, east of Mokena.

WEST AVENUE has new look, now that the county highway department has completed its work of widening and surfacing this Orland Park st. This is a view looking south. If the county would now drop the speed limit on this thoroughfare, village officials and the PTA would be happier. The limit is 40 m.p.h. West ave. is used by pedestrians, as well as motorists, and many of the pedestrians are children.

'65 Chevrolet Impala Sport Sedan

Chevrolet
Impala '65

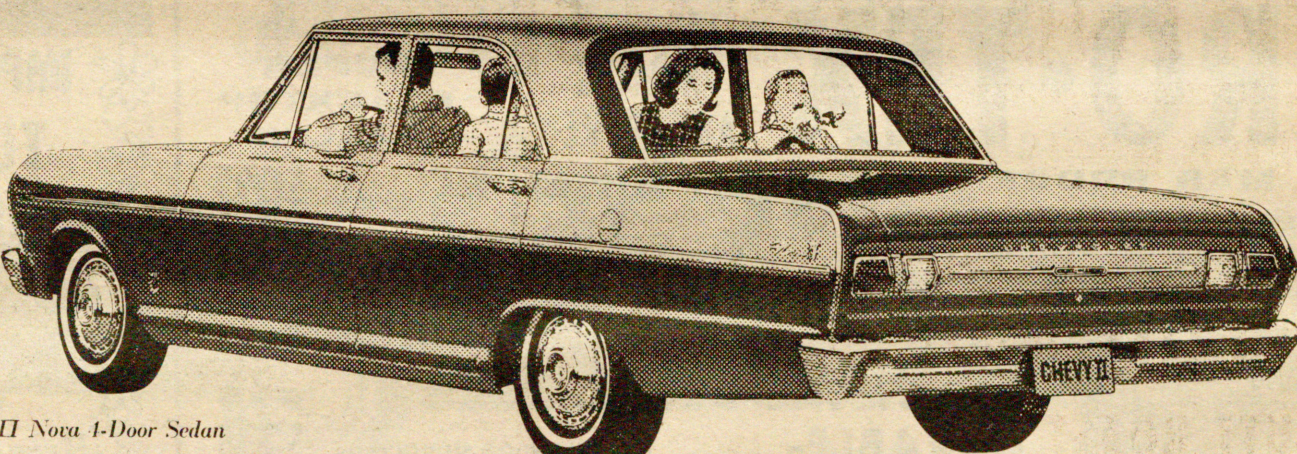

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevelle Malibu Super Sport Coupe

Chevelle
Malibu '65

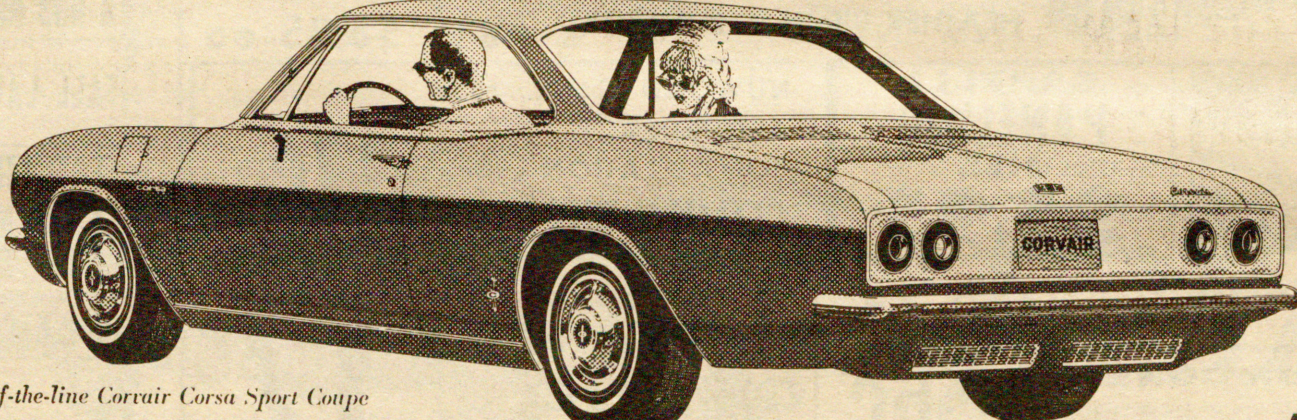

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II
Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair
Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look, there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

Highways In The Sky About Only Ones Open

(CNS) Extending the east end of the Kingery Expressway from Broadway in Cary, to a connection with the Indiana Toll road scheduled to open Oct. 27 will only move traffic congestion by toll avoiders from Broadway to East Gary, Mayor Leo C. Meister of that town told the Chicago Motor Club fall area meeting at the Gary hotel last Monday.

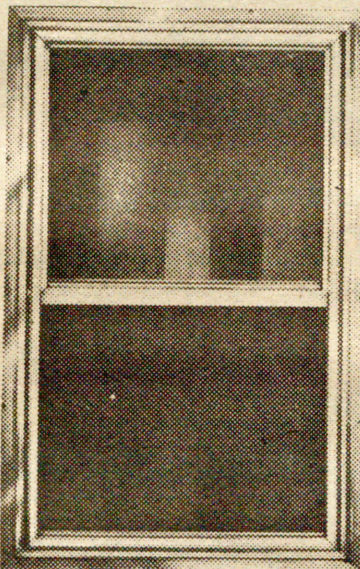

"The traffic that has been pouring into Gary's Broadway will then exit from the Tri-State onto Indiana Route 51, passing thru East Gary either north to U.S.-20 or south to U.S.-6," said Mayor Meister.

It was pointed out there is an inadequate ramp connection for east-bound traffic "desiring to avoid the toll plaza. The meeting passed a resolution seeking a re-alignment of the traffic control point at the juncture.

W.D. Dashe, Indiana highway district engineer from La Porte told the meeting that present plans are to open 11 miles of toll-free interstate 65 in the fall of 1965

for travel from Indiana Route 2 to Crown Point; that Ind. Route 149 and Chrisman road from U.S. 12 south is now being resurfaced and getting new overpasses; that U.S.-20 soon will be widened from the Spa entrance to East Gary; and that U.S.-6 will be routed over Ind. 51 and west on the Tri-State after the opening of the Toll road connection Oct. 27.

He said there were no plans for any mileage between Route 51 and the Michigan state line, but pointed out the 30-mile "missing link", will have to be finished by 1972 under the Federal Interstate Highway Act.

Say Woman Banker Needed A Little Extra Cash, So-

(CNS) A plea of "no contest" was entered Sunday by Miss Jeannette L. Stone, 52 years old, 10035 Turner ave., Evergreen Park, former assistant cashier at the Mutual National Bank of Chicago, 7844 South Halsted, charged with embezzling \$17,339 from the bank.

She began working for the bank in 1936, and is charged with stealing amounts ranging from \$420 to \$6,284 between Jan., 1962, and Feb. 13, 1964. Assistant U.S. Attorney William M. Coffey said her salary was \$9,000 a year and she apparently spent the embezzled money on ordinary living expenses.

Her attorney, Maurice J. Walsh, told U.S. District Judge Michael L. Igoe that she made this plea rather than a guilty one in order to avoid pre-judgment on a civil suit by the bonding company to recover the money from her.

S W EXPRESSWAY

(CNS) Construction of the Southwest Expressway, scheduled to be completed Oct. 30, has reached the lighting stage. Bids for installing 400-watt mercury vapor lights from La Crosse avenue to 74th ave. were to have been opened by the county board at its meeting yesterday.

Judge Igoe entered a finding of guilty and set Oct. 16 for disposition awaiting a report of the probation office.

Homemakers Unit Adds Two Members To Rolls

Telephone: 479-3521

Fifteen members and one guest attended the September meeting of the Frankfort-Mokena Homemakers Extension unit held in the home of Mrs. Fred Schinkowski, Frankfort. Mrs. George Sangmeister of Mokena and Mrs. Frank Kovar of Lincoln Estates joined as new members. Mrs. Willis Guth of Mokena attended as a guest.

Mrs. Charles Neuls, member of the unit, will give instructions on a series of advance sewing lessons in her home starting Tuesday, Sept. 22 at 7:30 p.m. Members who are interested in new methods of sewing are invited to attend.

Announcements were made of a membership drive potluck dinner to be served at the Fred Francis 4-H field, New Lenox, Tuesday, Sept. 29, starting at noon. Each person is asked to bring a covered dish to pass.

The group voted to sponsor the Lincoln Lassies girls' 4-H unit. They will present a demonstration on their achievements during the year.

The Will County Homemakers Extension will sponsor a rummage sale Oct. 8-10 at Joliet. All units are asked to supply clothing items for the sale. Persons having items to donate from the local unit are asked to leave them either at the home of Mrs. Fred Piepenbrink, Frankfort, or with Mrs. Raymond Westlund, Mokena, prior to the opening day of the sale.

As the Home Advisor, Mrs. Marianne Carnahan, will be attending a fall conference next month, the local unit will meet on an alternate date, Wednesday, Oct. 14 in the home of Mrs. William Seeman, Frankfort.

Plans were made for members to dine at the Deacon's Bench in the Village Courtyard of Palos Park, Tuesday, Oct. 14. Transportation will be arranged. This luncheon was previously planned and later cancelled.

The major lesson, "Parents-In-Law, Grandparents and Children" was presented by Mrs. Raymond Westlund and making a ceasar salad was demonstrated by Mrs. Arthur Buske.

A card party, sponsored by the ladies auxiliary VFW 725, will be held Saturday, Sept. 26 at 8 p.m. at the

VFW hall, Mokena.

Mrs. Russell Stankus, chairman, will be assisted by Mrs. Buford Homfeld and Mrs. Nick Grybash. The public is invited.

Mrs. Charles Shanks is in charge of the miscellaneous bazaar to be held at the VFW hall Sunday, Oct. 4.

Mr. and Mrs. Ronald Sheehan, 19344 S. Oak st., are the parents of a boy, Tracy Andrew, born Sept. 14 at

St. James hospital.

Mary Griffin, daughter of Mrs. Mary L. Griffin, R #1, is enrolled as a junior in Ottawa university, Ottawa, Kan.

A roast beef dinner will be served to the public Sunday, Oct. 4 from 12 noon to 5 p.m. at the VFW hall, Wolf road, Mokena. The dinner is sponsored by Post #725.

Members of the Mokena Garden Club who were awarded ribbons at the recent New Lenox Garden club flower show were: Mrs. Robert Schultz, president, who received five blue ribbons, four red; one yellow and white in the horticulture division. Also, Mrs. John Hubler received two blues; three red and two yellow ribbons in the horticulture division and artistic arrangements.

A table arrangement was entered by the Mokena Club entitled "Y'All Come" which earned a second place, Mem-

bers who arranged the table were Mrs. Donald Guendling, Mrs. Donald Schoefield and Mrs. Charlotte Bruce.

Forsee Improvements To Frankfort Sewage Plant

A representative of the federal bureau that makes grants to communities for sewage disposal plant was scheduled to be at Frankfort yesterday afternoon (Sept.

23) to inspect the disposal facilities there.

The man coming to Frankfort was an engineer, according to a letter from B.J. Schneider, chief of construction grants, at Washington. The federal agency explained that it was interested in seeing what had been done with the public's

money -- how sewage disposal plants were being maintained and operated.

Frankfort officials have been informed that the state sanitary water board is expected to require municipalities, private utility firms, subdividers and developers that operate sewage disposal plants to install grinders and holding beds.

The Frankfort plant is designed so a grinder can be installed there without difficulty, according to Robert Hamilton, who was the engineer for the project. A grinder wasn't required when the plant was built but Hamilton was aware that such equipment would become mandatory and designed the plant accordingly. A grinder is used to eliminate some of the debris that

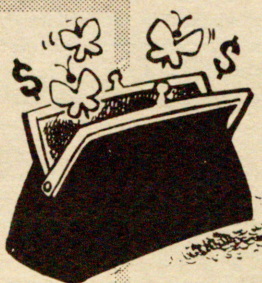

gets in sewers.

A holding bed is a large tank in which effluent is kept before it is finally discharged into the stream that carries it off.

Mokena, Frankfort, New Lenox, and the Arbury Hills housing development have sewage disposal plants, it was pointed out, but there is much territory in the area now served by such and it is claimed that considerable raw sewerage dumped into Hickory creek.

Trinity Christian Opens New Student Residence

The new student residence at Trinity Christian college will be open for inspection and dedicated this evening (Sept. 24) preceding the annual association meeting. At 7 p.m. the open house will begin followed by the Dedication Program at 8:00. The Annual Association meeting will begin about 8:30. The building will also be open for inspection on Saturday afternoon, Sept. 26, from 2 - 4 p.m. This is the first major addition to the college's campus located at 6600 W. 123rd St., Palos Heights.

The public is invited to visit the new building either this evening or Saturday afternoon. Construction started in March of this year and the residence was ready for occupancy by Sept. 9 when 33 students became the

first residents to live on Trinity's campus. The resident students came from California, Washington, South Dakota, Wisconsin, Michigan, New York, New Jersey and the following cities in Indiana and Illinois: DeMotte, Wheatfield, Gary, Munster, Lansing, Oak Forest, Blue Island, Oak Lawn, Evergreen Park, Western Springs, Oak Park, Cicero, DesPlaines, and Elk Grove Village.

The building has a capacity of 40 resident students and also contains ample lounge and recreation space. About 12,000 square feet of finished space is available. An unusual feature of the residence is the provision of recreation, study and lounge space to be used by commuting as well as resident students. This is a

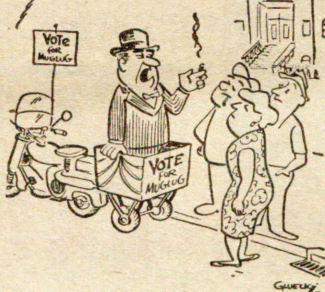

Hazardous Water Repellent Run To Earth In Will County

Dr. Herbert S. Miller, health officer of the Will county health department stated today that representatives of his department have completed their search for the hazardous product known as X-33 Water Repellent. Within recent weeks, information received from the division of poison control and hazardous substances of the Illinois Department of Public Health indicated that the product known as X-33 Water Repellent has created hazardous conditions which have resulted in three deaths and over 30 injuries due to flash explosions.

Dr. Miller indicated that upon receiving this information, the investigation was started to determine if this product was available in the county. The health department investigation revealed that the Joliet fire department had located a fairly large quantity of the product

in Joliet and took immediate steps to have it removed and disposed of in a safe manner. In addition, the health department representatives located a small quantity of the product in one other municipality in the county. However, the product was in the hands of that municipality's fire department who planned to dispose of the product immediately.

Dr. Miller further urged that should anyone possess this product, they should contact the fire department having jurisdiction within their area so that it can be properly handled and disposed of in a safe manner.

"And, as you can note... I'm for economy!"

Furnishings for the entire building have been provided by the Trinity Christian College Women's Guild, an auxiliary organization of the college. This includes lounge and student room furniture, draperies, carpet,

etc. The furniture selected fits in well with the design of the building.

The institution of resident housing on campus is a major step forward for this young college. As indicated by the fine number of students already living on campus this year, the facility is helping to meet a demand for students desiring to attend Trinity.

St. Jude Group Plans Luncheon, Card Party

MRS. DELORES ANDERSON
Telephone: 485-3651

The Altar and Rosary Society of St. Jude's Catholic church will sponsor a card party and luncheon on Tuesday, Oct. 6 at 12 o'clock noon at the Francis 4-H field on Francis road. Tickets may be obtained from any member of the society.

Rev. Gervase Brinkman, chaplain at Stateville pen-

tentiary, was the guest speaker at the meeting of the St. Jude's Altar and Rosary society when they met Tuesday, Sept. 22 at the church.

Boy Scout troop 49 and the Boy Scout Auxiliary will sponsor a fun carnival at the New Lenox ice skating pond, west of Hickory Creek bridge, on Friday and Saturday nights, Sept. 25 and 26. Both nights the hours will

be from 6:30 until 10 p.m. There will be a bakery booth, white elephant, and various game booths, pony and burrough rides, and refreshments will be served on the grounds. There will be door prizes awarded at the close of each evening. Scout parents are all working for this project.

Miss Donna Hussey, daughter of Mrs. Della Hussey, First avenue, has enrolled at Olivet Nazarene college this year.

The first meeting of the St. Jude's Parents club was held Thursday night Sept. 10 in the school lunch room. Fr. Louis gave a welcoming talk to the newcomers of the club and introduced the faculty. The new teachers are: Miss Gail Duchene, 3rd grade; Miss Frances Delrose, 4th grade; and Sr. Mary Bertha, C.M.F., 5th grade.

Guy Sell, president, outlined the goals for the coming year, and the ways to achieve them. He pointed out that 700 new books were needed to bring the school library to a desired level, and that the basketball courts desperately needed black-topping. He explained that anyone trying to dribble a basketball on gravel would understand the need of black-top.

One of the two sources of revenue for these two projects is the "Christmas In September" program already underway. Christmas cards of varied styles, wide price range, and countless designs are on display in the back of the church and orders are being taken in the school lunchroom after all the Sunday masses, by Eugene Schubert who is in charge.

Christmas cards will not be sold by the school children at all this year.

The monthly fish fries will be held again this year starting with Oct. 9, from 5 to 8 p.m.

Carry-outs will be available and bakery will be sold with Dolores Wysock as chairman. Pat Stockley will be in charge of carry-outs; Cele Wingate will oversee the dining room and Betty Stockley will be kitchen chairman. Several men volunteered to install new play ground equipment and prepare the present playground equipment for the winter so it

would not rust. This will be done on Sunday, Sept. 20.

Five mothers volunteered to measure and weigh all the school children in the near future.

The business meeting ended and was followed by a get acquainted game introduced by Sue Hanson, vice president.

Mrs. Wingate won the prize and refreshments were served.

Members of the Deborah Circle of the WSCS of the Methodist church met Tuesday night, Sept. 22 at the home of Mrs. Len Warning, Cedar street.

John Warning left Sunday to return to school at Oregon State college in Corvallis. John spent this past week here with his parents and family, after spending the summer months at Tempe, Ariz., where he worked for the U. S. Forest Service.

The family study group will resume their monthly meetings, Thursday night, Sept. 24 with the first fall meeting at the home of Mrs. John Gossen, W. Wood street.

Sixteen members of the New Lenox Womens club met Tuesday at the home of Mrs. Elton Pyle with Mrs. Roy Dowle as co-hostess. Dessert-coffee was served by the hostess. Two books titled "We The People" and "The White House" were purchased and donated to the New Lenox library in memory of Mrs. Laura Morris.

Members will meet at the library to sew cancer dressings the last Tuesday of each month.

Cookies are to be made and brought to the October meeting to be sent to the Easter Seal Foundation for the children. The October meeting will be held at the home of Mrs. Grace Sweet. Slides of the New York world's fair were shown by Mrs. O. R. Zunkel.

"The New Purpose For a New Age" was the topic of the program given by Mrs. John Meyers at the WSCS meeting Wednesday, Sept. 16 at Fellowship hall in the Methodist church. Devotions were by Mrs. Wm. Brockman, and hostesses were, Mesdames Louise Rowe, Beatrice Coe and Delia Brown.

The Martha Circle of the Methodist church will sponsor a fall-salad luncheon in Fellowship hall of Methodist church Wednesday, Sept. 30. Serving will be from 12

until 1 p.m., followed by a program. Baby sitters will be provided for anyone who wishes to leave their youngsters. All are invited.

The 4-H meeting of the New Lenox Bluebirds was held at the Methodist church on Sept. 12.

A talk was given by the leader, Mrs. Edward Berens Sr. on the progress of the club and the individuals.

Newly elected officers are: Sherry Jencon, president; Robyn Facinelli, vice-president; Karen Zembruski, secretary and Kathy Leonhart, treasurer.

Chairmen of the various committees are as follows: Linda Archambeau, scrapbook; Carol Archambeau, song leader; Judy Leonhart, reporter; Gay Facinelli, program; Kathy Fritz and Lynn Jencon, recreation; Marion Nuetzmann, talks and demonstrations; Cindy Lietter and Mary Gumble, refreshments.

Also, Robyn Facinelli, parliamentarian; Leslie Hauck, sgt. at arms; Col. leen Pfeifer and Robin Kerns, citizenship; Barbara Poole, membership; Pam Schneider, telephone.

The "Second Time Around Shop" at the Trinity Lutheran church parsonage have changed their hours. The new hours will be from 9 a.m. to 2 p.m. every Friday. They are now featuring fall clothing, especially for children.

PFC James E. Johnson, son of Mr. and Mrs. Marlon T. Johnson, 144 S. Cooper rd., is participating in exercise Fallex 64, in Germany.

Johnson, a supply driver in the 101st Ordnance Battalion's 23d Ordnance Co. near Heilbronn, entered the army in September, 1963, completed basic training at Fort Knox, Ky. and arrived overseas in February 1964.

Johnson attended Lincoln-Way high school.

Karen Korista, R#1, is teaching 4th grade and deaf at the Metcalf school.

Jeanine Peters, daughter of Mr. and Mrs. Eugene F. Peters, 145 West Francis road, will be one of the one hundred young men and women of "unusual promise" who will pioneer a unique educational venture starting Sept. 21 at New college, Sarasota, Fla.

The students comprise the charter class of New college, opening for the first time this year to provide individualized programs of learning in the arts and sciences.

Tearing Down Buildings On Camp Meeting Grounds

The camp meeting grounds at New Lenox are undergoing a change, an inspection of the property reveals.

Most of the cottages that once housed families for the summer months but for years now had turned the wooded tract into a ghost town, have been torn down. They have been on the verge of falling down for years but someone has now supplied the needed push.

The razing operation has not been carried on so that the place has become neat and tidy. Boards, splintered timber, chunks of brick and mortar that once been part of a chimney, are strewn about.

Right now one might say that the jungle has taken over -- or at least what passes for jungle in these northern latitudes and in stretches serves to hide the cottage

remnants. When fall shears shrubs and trees of leaves it is to be supposed that a cleaner effect will meet the view.

New Lenox village officials are glad to note the improvement as they have been asking that something be done about the grounds off and on for the past several months.

The presence of these old, dilapidated frame structures was an ever present fire threat. A fire that set timber ablaze could have serious consequences, it has been pointed out for the rest of the village, not to mention that it could be a death trap for firemen.

The old buildings have provided shelter for rats and other vermin, it was stated, and village officials are glad to see them come down.

The road that wound thru

the tract is disappearing and motorists with curiosity who might visit the spot could

experience tire trouble. There are nails about, it was stated.

NOT PRO SIZE - yet but eventually they will be up there. Meanwhile these youngsters, members of the Mokena Burros Pop Warner football team, are getting schooled in the game and also having a lot of fun.

Mokena Burros Lose To Tinley, 13 to 0

Mokena's Pop Warner League football team, the Burros, were blanked last Sunday, 13 to 0, by Tinley Park but the boys gave a good account of themselves--all 23 members of the squad. With a break or two the Burros might have won. It was a wet and muddy field.

This was their second game. The Burros were organized by George Krueger, the insurance man. The boys range in age from 9 to 11 and must weigh less than 100 pounds.

Krueger not only organized the team, he is coach-

ing it with the assistance of Bob Pierson, who one time played football for Illinois Wesleyan.

Krueger also put up the money for the equipment. Each boy had a complete uniform, with all the protective pads and devices, which means that Mr. Krueger has some \$500 spent on the undertaking.

This Saturday there is to be an intra-squad game at 2 o'clock. The tilt is to be played on the Lincoln-Way high school gridiron and the public is invited.

Cross Country Runners At L-W Defeat Porters

The cross country team from Lincoln-Way--with Ray Jast and Larry Sorensen running one-two--beat Lockport Central last Thursday evening over the New Lenox course. It was the first appearance of the season for the Knight harriers.

Others finishing for Lincoln-Way were, Chet Singer, fifth and Joe Wildhaber, sixth. The Knights other scorer was John Estes.

Harper Thedfar and Jim Calmaus ran third and fourth for Lockport.

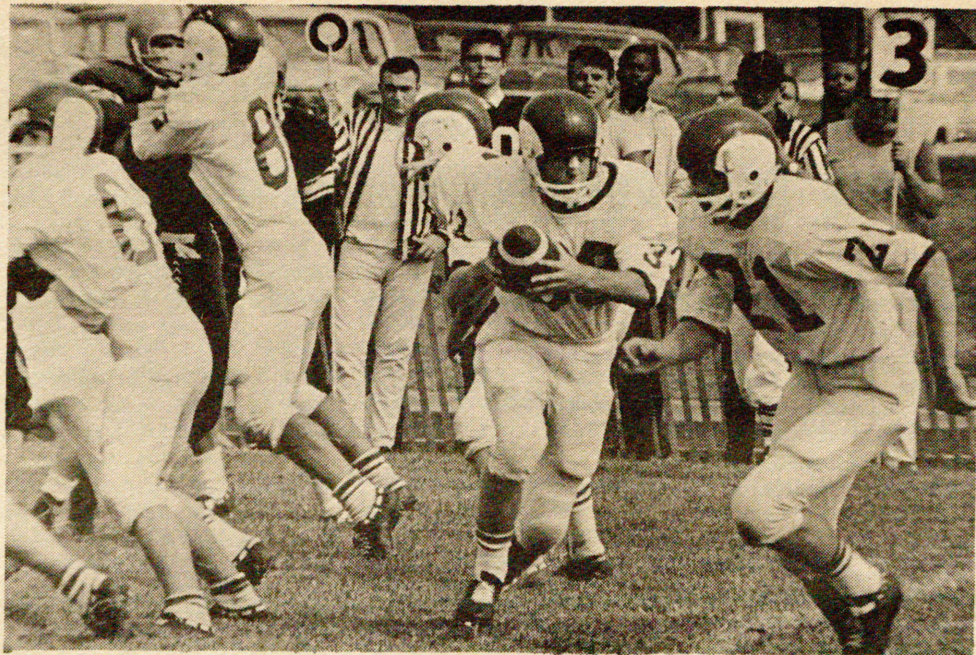

The Lincoln-Way sophomore squad won 26 to 29.

PRACTICE SESSION for the Mokena Burros finds Toby Krueger, No. 5, about to find further progress shut off. Watching is Bob Pierson, who is assisting George Krueger with the coaching chores. (Graphic Newspapers photo)

HUNTING OPEN SPACES is Garth Aronson (No. 33), Sandburg quarterback. No. 21 is an Eagle wingback, Fred Engleman. Altho the Eagles lost to Morgan Park they are not disheartened and will be ready to open the conference season this week-end. (Graphic Newspapers photo)

Eagles Meet Reavis Next, Drop Opener

By DOUG CONNELL

The Eagles of Carl Sandburg will meet Reavis Saturday ready to avenge their 1306 loss to Morgan Park and eager to begin conference competition.

Reavis, who won their non-conference title with Marmion, 26-18, will meet the Eagles on the Sandburg gridiron Saturday at 2:15 p.m. The action will be the first conference competition for both teams.

The Eagles, lead by quart-

erback Garth Aronson, opened the game with a drive into Morgan Park territory. The Mustangs rallied, however, and forced Sandburg to punt. Two plays later, Morgan Park was enjoying a 6-0 lead -- result of a spectacular 73-yard run by halfback Schumacher. The conversion by Gcovane was good, giving the Mustangs a 7-0 edge at 8:07 in the first quarter.

The next major action came in the third quarter with a play that cost the Eagles the ball game. A series of plunges by fullback Phil Aliano and a 15 yard personal foul penalty against Morgan Park put the Eagles on the Mustang's 8 yard line. An untimely Eagle fumble was recovered by Gcovane and the Mustangs were out of the jam.

Tight defensive work by Sandburg forced the Mustangs to punt four plays later and the Eagles once again had the ball deep in Morgan Park turf. Another

fumble, on the 18 yard line, ended Sandburg's threat in the third period.

With only 1:25 remaining in the third quarter, King dove two yards to give the Mustangs an added six points. The conversion attempt was blocked by the Eagle defense.

Sandburg picked up the tempo in the final period and repeatedly threatened the Morgan Park lead. With 3:39 left in the game, Aronson found end Rolant Roth in the clear and threw a 25-yard touchdown pass to give the Eagles their first score.

The Mustangs held the Eagles at the goal line and blocked the extra point attempt. Despite a determined Eagle effort, Morgan Park was able to maintain control for the remainder of the period to beat Sandburg 13-6.

Both teams will see action Saturday as the Mustangs meet Francis Parker in a road contest and the Eagles clash with Reavis at Sandburg.

Sets Date For 11th Gymkhana

The New Lenox Riding club will hold its 11th annual Gymkhana (play day on horseback) Sunday, Oct. 18 at the 4-H field, New Lenox. The show will begin at 9:30 a.m. In the event of rain, the show will be held Oct. 25.

Distaff Golf

BY BIRDIE McDIVOT
Willow Run Women's Golf club members are having their luncheon terminating the season's play on Thursday, Oct. 1 at 1 p.m. at the club. All members are invited to attend. For reservations phone Betty Nelson (479-5269) by Friday, Sept. 25. Awards for the season will be given at this time.

Scores for a week ago were Esther Hug with a net 36; Marge Istel, net 38; Vera Richardson, net 43; Helen Churchill, net 43; Chuck Sondergaard, a net 44; and Grace Mitchell, a net 45. Chuck and Grace won the golf balls for the day.

Last week Vera Richardson with a net 38 and Helen Churchill with a net 42 won 1st and 2nd place for the golf balls.

See you next week?

Arbury Hills

Residents Move To Get Action On Paving Roads

MRS. EDWARD HOVI
Telephone 479-5740

The residents of Willow Lane and other unpaved roads in Arbury Hills held a meeting at the home of Mr. and Mrs. Richard Prather of 9400 W. Willow Lane on Wednesday evening Sept. 8. At that time Mr. Tate from the township offices was present to inform those present of the situation on the roads and to suggest that they attend the township meeting which was held in the Cooper Garage in Mokena the following evening.

Approximately 20 people attended from Arbury Hills. Walter Yunker, township highway commissioner and James McCarthy, Will county superintendent of highways were present.

The people were told to contact the state's attorneys office in order to request that a suit be filed against the company holding the performance bond and Edward Feeley. The company holding the bond is the Fidelity and Casulty Insurance Company of New York, a division of the Continental Insurance Company.

The State's attorney's office was contacted and the group of residents has been informed that a man from that office has been assigned to handle the matter, and that the suit would be filed.

Mrs. Edward Williamson, in the name of the residents living on these unpaved streets, and with their knowledge, also wrote a letter to the Federal Housing Authority with copies to the Mutual National Bank and The Talman Federal Savings and Loan, the two major mortgage holding concerns, and Mr. Feeley, the building contractor.

Included in the letter was a map of these streets showing their extent and the necessity of their being paved in order that the community could maintain its standards.

The Arbury Hills Kindergarten Organization held its regular monthly meeting at the school on Tuesday evening September 15. Mrs. Richert, the kindergarten teacher was present to tell the group what was being taught in the kindergarten and what would be taught during the balance of the year and what benefits would be derived by the child thru attending kindergarten.

It was announced there would be a demonstration of food and cake decoration at the next regular meeting of the organization Oct. 20 at 8:30 p.m. in the all-purpose room of the school.

There will be no admission charge and it will be open to all who wish to attend, not only to members of the organization.

Those interested in viewing the sample folder of Christmas cards, may call Mrs. Edward Blecha at 479-5607.

The First Nighters will

Rosewood Lane next Thursday evening, October 1, at 8:00 p.m.

The secretary's book of the Arbury Hills Baby Sitters Cooperative will change hands next Wednesday, Sept. 30. At that time Mrs. Donald Munday will receive the book from Mrs. Mansell, who has had the book for the past month.

Anyone in the group needing a baby sitter after September should contact Mrs. Munday at 479-5948 at least 24 hours in advance of the date needed.

The Summit Hill Boy Scout Troop No. 10 will have its regular monthly newspaper drive next Saturday morning, Oct. 3. Anyone wishing to contribute to this col-

lection is asked to have their bundles ready at the front door or at the garage door by 9 a.m. All papers should be bundled to prevent them from blowing about the neighborhood.

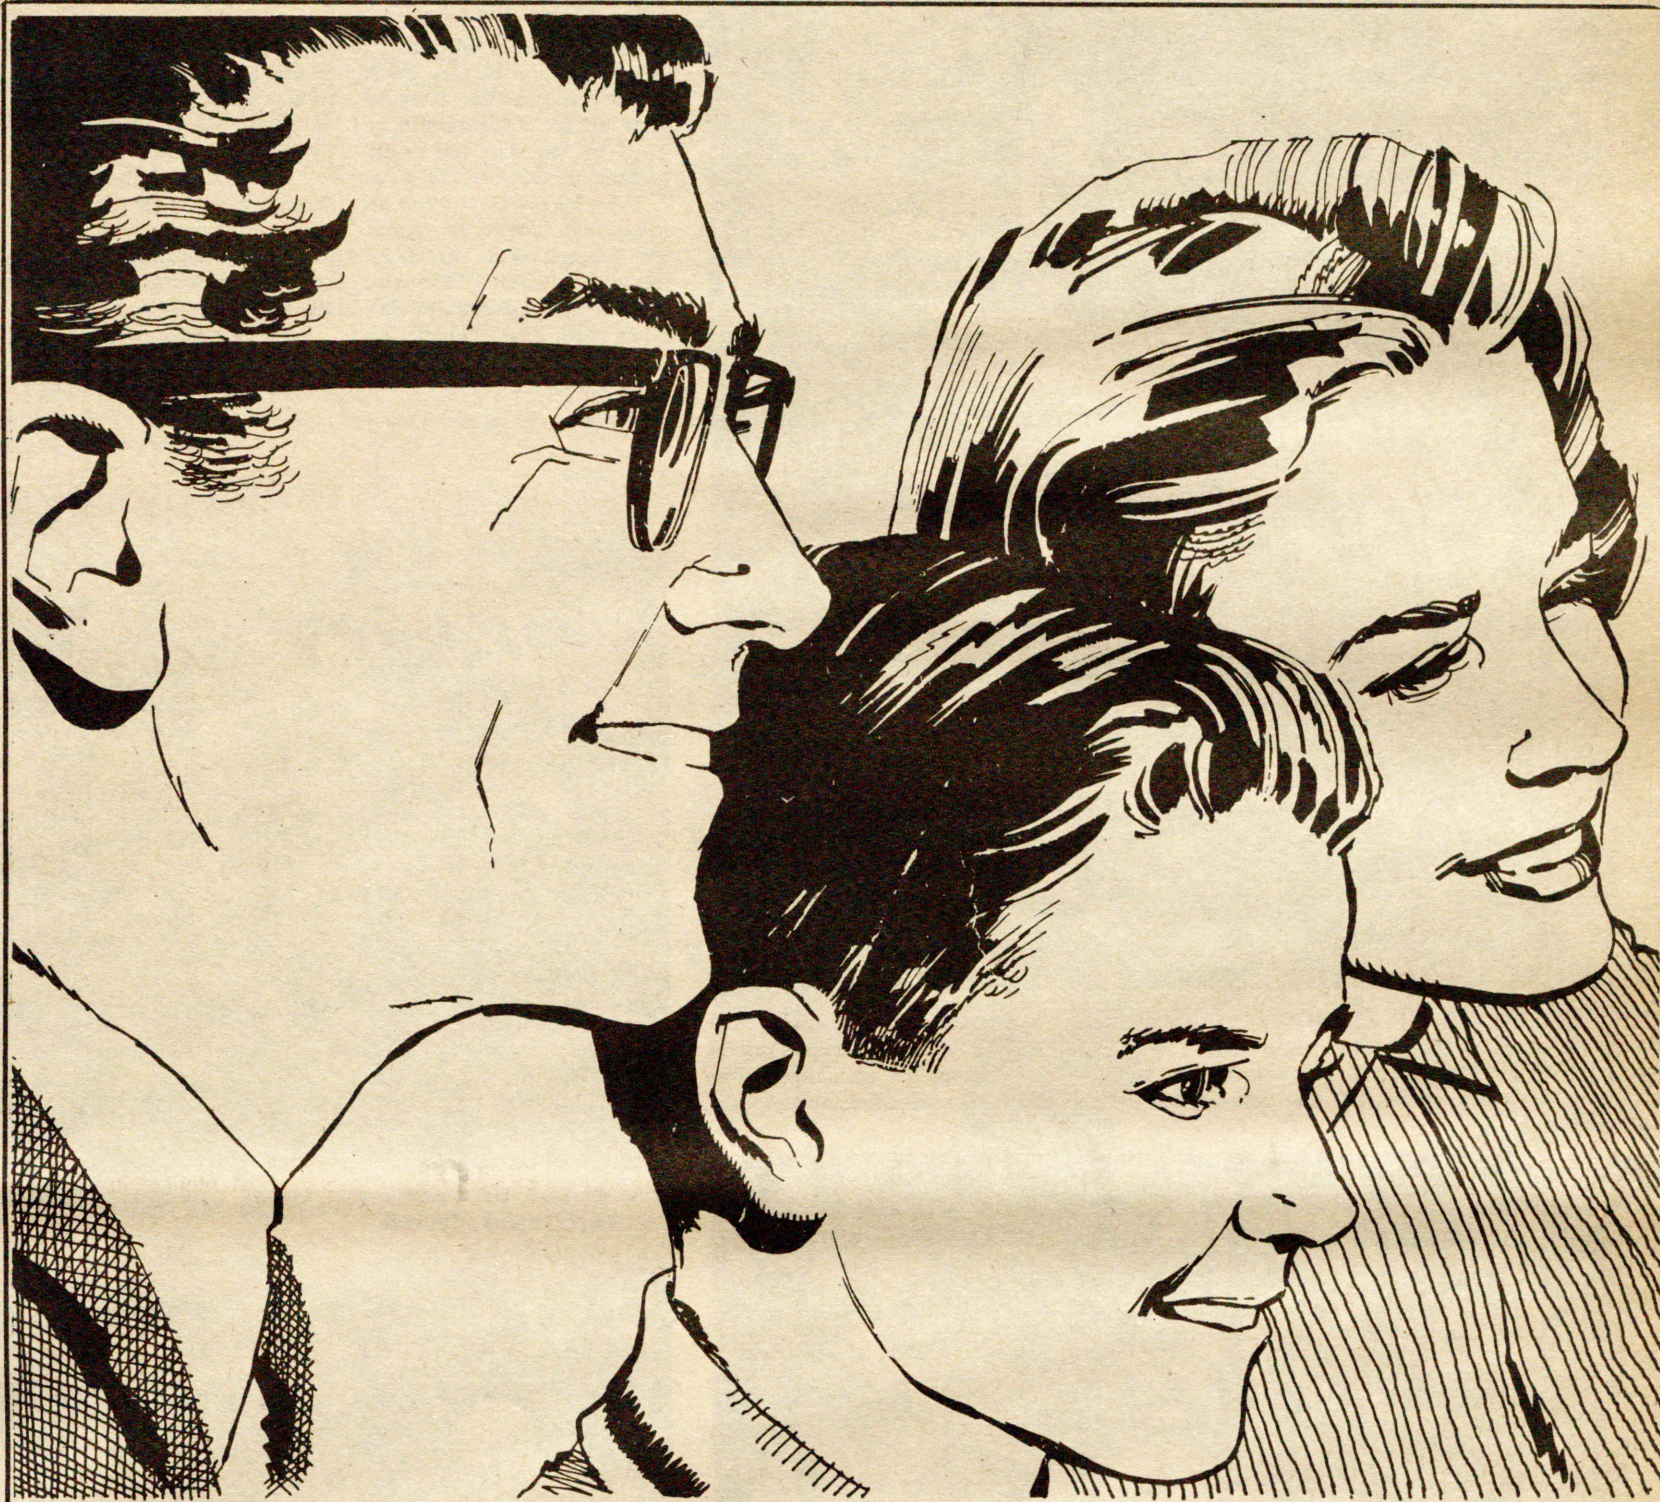

-o-

Mr. and Mrs. Willis Liston of 9506 Willow are the grandparents of a baby girl born to their daughter and son-

in-law, Mr. and Mrs. Jerry Stewart of Portsmouth, Ohio. The baby was born Sept. 14.

-o-

The car wash held on Sept. 12 by the boys of the Arbury Hills boys baseball league was a success with almost \$65.00 being raised in this manner to be added to their equipment fund for next season.

ACTION AS INDIANS TIP KNIGHTS -- After a 7-year dry spell, Lemont Township High School varsity Indians finally registered a grid win over Lincoln-Way, repulsing the invading Knights 19-6 at the Lemont field. In this bit of scrappy action, Lincoln-Way defenders Marc Schonwise (33) and Bob Bowser (84) bat down pass intended for Lemont's Scott Wlodarski.

LINCOLN-WAY quarterback Howard Grimes (12) keeps wary eye on on-rushing Lemonter Danny Findley (74) as he looks for a receiver. Aerial attack proved ineffective for both teams.

Lemont Breaks 7 Year Jinx Beats Knights

BY NORMAN BEEBE
Bob Allen, the new pilot of the Lincoln-Way Knights used all of his talents to no avail as his team fell to the Indians of Lemont, 19 to 6.

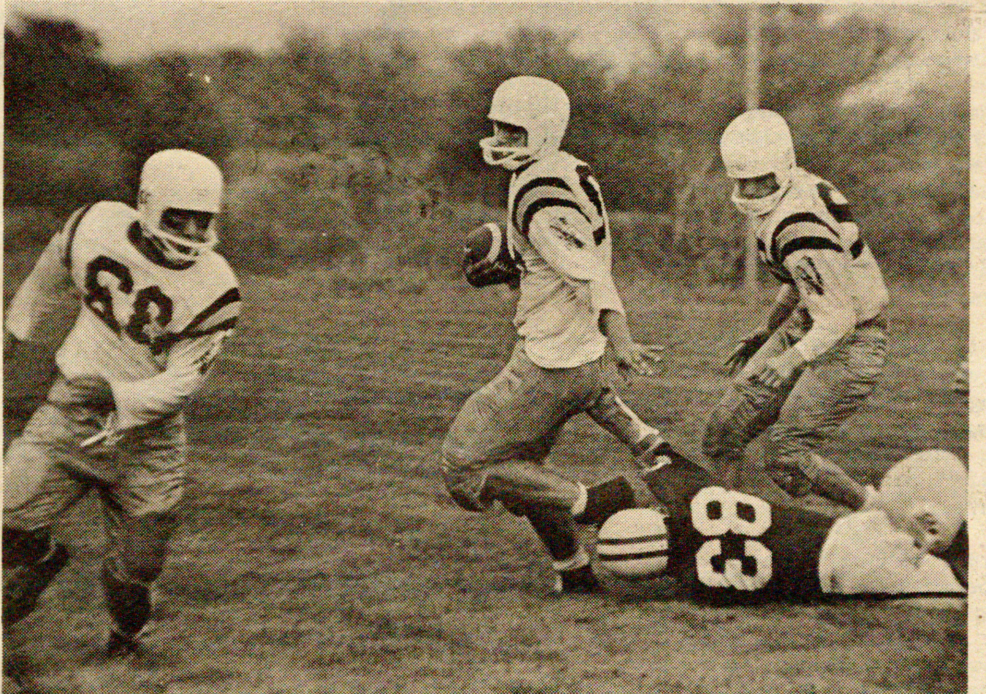

This is the first time in seven consecutive years that the Knights were beaten by Lemont. Rick O'Connor, quarterback, paced the Indians with two touchdowns in the first quarter to give his team an early lead, Scott Wlodarski, halfback, added to the score by a touchdown in the second quarter. Out of these three touchdowns Charles Wood was able only to make good one out of three attempts at the point after touchdown. As the first half ended, the Indians held a comfortable lead of 19-0.

Some improvements were seen in the Knights offense at the start of the second half. Marc Schonwises' third period interception, which was good for 15 yards, bolstered the Knights morale and led to the fourth quarter touchdown by Jeff Urban. The conversion attempt by Jim Markl was short of its mark.

The Knights will meet Rich East at Park Forest for their first conference game Saturday, Sept. 26.

IT'S WHAT'S UP FRONT that counts. Rugged line play is evident as Knights' Howard Grimes (12) spins with ball.

CATCH AS CATCH CAN. Knight lineman Craig Cleply gets precarious grasp on ball carrier Scott Wlodarski to break up developing Lemont play.

WHERE TO GO? Lincoln - Way's Jim Markl finds path beset by white-shirted Lemont defenders.

Urges Publics Aid In Combatting Mosquitoes

(CNS) Elimination of all places where mosquitoes might breed, including stagnant bird baths and pools was urged by Dr. Franklin D. Yoder, state public health director, as a means of controlling the spread of encephalitis or sleeping sickness.

He said that mosquitoes, the main carriers of the disease, breed in these areas of stagnant water, ditches, sewers, and even old tin cans that collect moisture. As a precaution, persons are warned to avoid exposure to mosquitoes, especially at dusk.

Mosquitoes are simply carriers of the disease. The major reservoirs of the disease are believed to be birds.

Crime Commission Officer To Speak For Sangmeister

Prentice Marshall, Wheaton attorney and co-chairman of the Illinois Crime Commission, will be the principal speaker at a dinner and dance to promote the candidacy of Judge George E. Sangmeister, Democratic candidate for State's Attorney, Sunday Sept. 27. The dinner, under sponsorship of the Sangmeister Boosters, will be served at 6:30 p.m. at Valley View Farm on U.S. 30 near Wolf rd.

All candidates who attend the dinner will be introduced. Tickets may be obtained from any member of the

Certain breeds of mosquitoes bite the infected birds, then transmit the disease as they bite other warm blooded animals, including man. Evidence of the disease has also been found in farm animals, rodents and other wild animals, according to a report of the American Medical Association.

Encephalitis is a family of diseases, Dr. Yoder explained. It attacks the central nervous system, spinal cord, and brain and is characterized by a sudden onset of fever, headache and dizziness. Within a day or two, a stiff neck often develops, as well as mental confusion and speech difficulty, drowsiness, or stupor.

WANT-AD WONDERS

Want Ad Supplies Needed Dentist

1,800 residents of South Bend, Washington, were suffering dental miseries after the town's only dentist retired to Arizona. The newspapers editorialized on the people's plight and then the Chamber of Commerce inserted this Want Ad in the Seattle Times.

WANTED - A Dentist to rescue the town of South Bend, from a kingsize toothache: good fishing and hunting, low cost of life rent, housing and the undying gratitude of 1,800 residents will be yours. Sure joys await: direct inquiry C. A. Graves, President, South Bend Chamber of Commerce.

The night the ad appeared a young dentist phoned from Seattle that he was coming in to look the situation over. Another dentist responded that he was ready to lease office.

Down with high cost heat!

Change to Gas before cold weather Gas heat now costs even less!

Homeowners! Here's big news about big savings on heating costs. The new rate reduction (effective September 1) means additional savings of \$2,960,000 a year to Northern Illinois Gas space heat customers. This is the third major reduction in the last 14 months!

Check this quick PROOF-OF-SAVINGS chart.

	Typical Annual Heating Costs*	Savings with Gas
Gas	\$141	\$
Oil	224	83
Coal (hand-fired)	227	86
Electric (resistance)	471	330

*Fuel costs for heating a typical insulated home with basement as based on competitive fuel prices prevailing September 1, 1964, in Northern Illinois Gas Company territory adjacent to Chicago.

Dependable gas heat beats other types hands down for comfort and convenience, as well as low cost. Keeps you comfy, no matter how cold the weather, with set-it-forget-it thermostat control. Small wonder 99% of all new homes along Northern Illinois Gas mains are equipped with gas heat.

Make the change now—pay later.

Our Easy Pay Plan available through your contractor gives you up to five years to pay. No down payment, and payments as low as \$3 per month. Your savings with thrifty gas continue year after year, soon repay the moderate cost of conversion.

Act now! 10,000 Plaid Stamp bonus.

Convert to gas heat by October 31, 1964, and get 10,000 Plaid Stamps redeemable for valuable premiums. Your heating contractor can give you details. Call today!
